ORDER RETURNING UNDOCKETED APPEAL TO EXAMINER

This application was electronically received by the Board of Patent Appeals and Interferences on August 14, 2008. A review of the application revealed that it is not ready for docketing as an appeal. Accordingly, the application is herewith being returned to the Examiner to address the following matter requiring attention prior to docketing.

APPEAL BRIEF, ARGUMENTS

A review of the file finds that the arguments with respect to each grounds of rejection as provided in the Appeal Brief filed May 14, 2007 under the heading “Argument” has not been clearly provided. Each grounds of rejection must be treated under a **separate heading** in accordance with 37 CFR 41.37(c)(1)(vii). Any claim argued separately should be placed under a subheading identifying the claim by number. Claims argued as a group should be placed under a subheading identifying the claims by number.

Appellant has not provided the necessary headings and/or subheadings for arguments which correspond to each grounds of rejection. *See also Manual of Patent Examining Procedure* (MPEP) § 1205.02 (8th ed. Rev. 6, Sept 2007) for details.

Accordingly, it is **ORDERED** that the application is returned to the Examiner:

- 1) to hold the Appeal Brief filed on May 14, 2007 defective;
- 2) notify Appellants to file a paper properly presenting the arguments for each grounds of rejection as required; and
- 3) for such further action as may be appropriate.

Application No. 09/590,760

If there are any questions pertaining to this Order, please contact the Board of Patent Appeals and Interferences at 571-272-9797.
